

## CSV Download for Universities

In general, wherever the symbol  appears, a CSV download—and thus an export to Excel—is available.

### 1 CSV download of all degree programs at a university

Clicking on "Accreditation Database" and "All Degree Programs" in the menu displays all degree programs assigned to the institution.

This includes both degree programs with and without accreditation information. As part of the download, ELIAS downloads a simple list of degree programs/accreditations in all cases. In the list, for example, the assignment of combined and partial degree programs is not immediately apparent. The degree programs are sorted alphabetically in the CSV file.

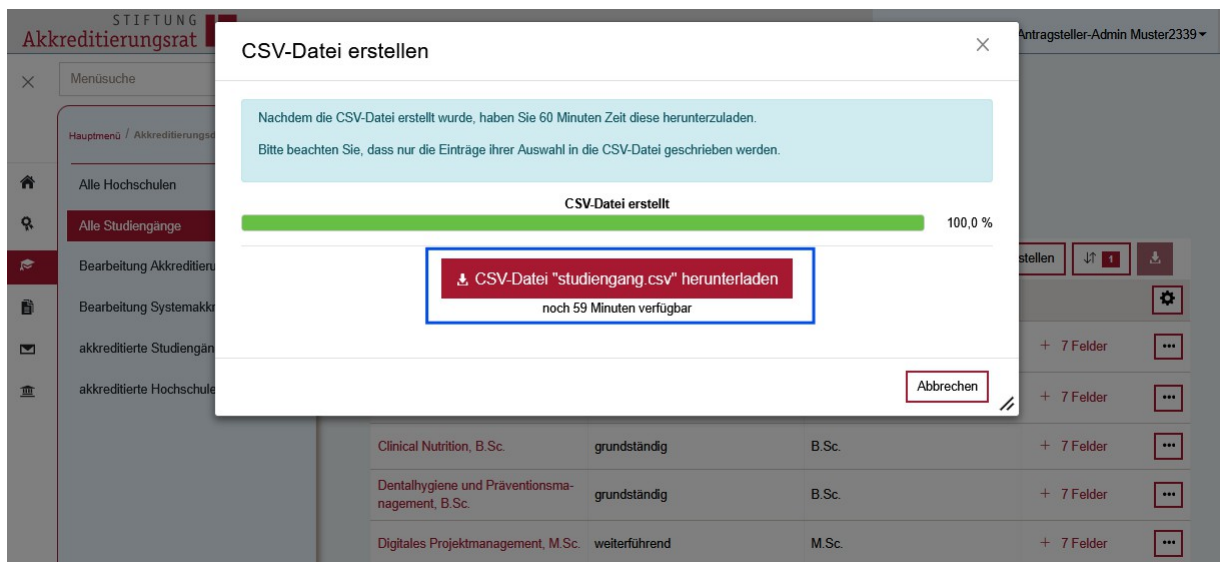

The screenshot shows the 'Studiengänge verwalten' (Manage Degree Programs) interface. On the left, a navigation menu highlights 'Alle Studiengänge'. The main content area features a search bar, a filter button, and a table of 48 degree programs. The table has columns for Name, Studententyp, and Abschlussbezeichnung. A download icon is present in the top right corner of the table area.

Name	Studententyp	Abschlussbezeichnung		
Betriebliches Gesundheitsmanagement, M.Sc.	weiterführend	M.Sc.	+ 7 Felder	...
Business Development Management, M.A.	weiterführend	M.A.	+ 7 Felder	...
Clinical Nutrition, B.Sc.	grundständig	B.Sc.	+ 7 Felder	...
Dentalhygiene und Präventionsmanagement, B.Sc.	grundständig	B.Sc.	+ 7 Felder	...
Digitales Projektmanagement, M.Sc.	weiterführend	M.Sc.	+ 7 Felder	...
Digitales Projektmanagement, M.Sc.	weiterführend	M.Sc.	+ 7 Felder	...
Digital Health Management, B.Sc.	grundständig	B.Sc.	+ 7 Felder	...
Dynamic Management, M.A.	weiterführend	M.A.	+ 7 Felder	...

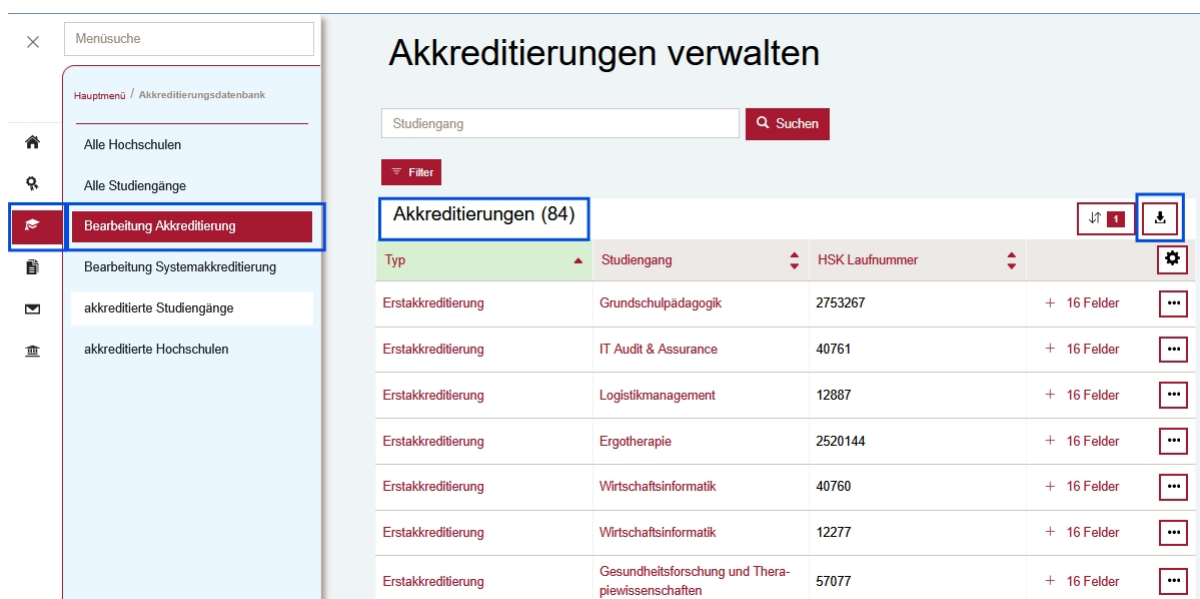

Clicking the "📄" button generates a CSV file.

By clicking on the red field (see screenshot below), you can download the CSV file and save it to any location of your choice.

## 2 CSV Download of Accredited Programs at a University

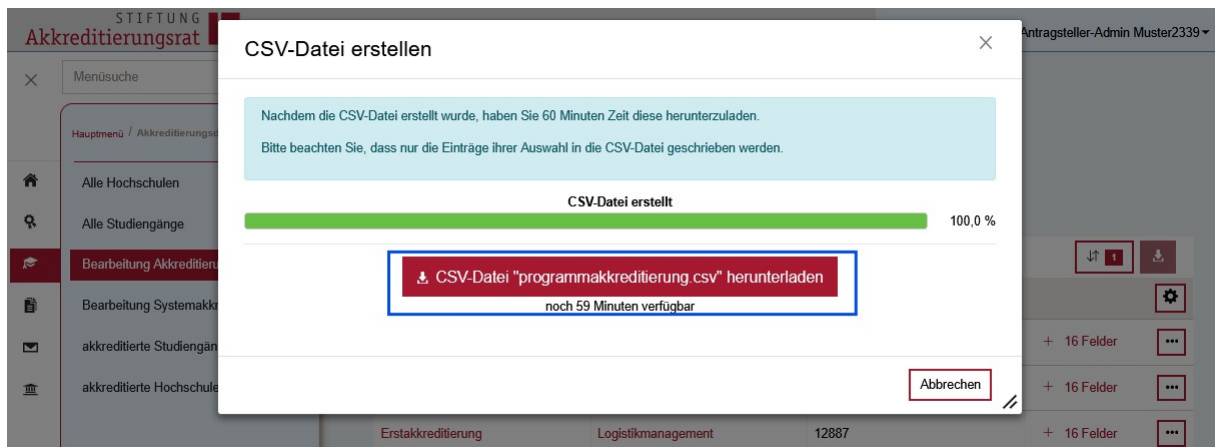

By clicking on "Accreditation Database" in the menu and then on "Edit Accreditation," all accreditation processes for the respective degree programs are displayed. This means that for a degree program that has, for example, already been accredited three times, three corresponding accreditation processes will be displayed.

All accreditation processes for the respective degree programs at the institution are displayed.

Clicking the " " button generates a CSV file.

By clicking on the red field (see the screenshot below), the CSV file can be downloaded and saved to any desired location.

**Note:** The gear icon " " allows you to preset the selection of data for the view in ELIAS. This has no effect on the CSV download, as all available data is always exported here. Individual data adjustments can be made in the saved Excel file if necessary.
